St Patrick's Fortitude Valley*

# 27<sup>TH</sup> SUNDAY in ORDINARY TIME Year C 6<sup>th</sup> October, 2019

*The community of the Cathedral of St. Stephen acknowledges the traditional custodians of the land on which our parish stands.*

The apostles said to the Lord, "Increase our faith!" The Lord replied, "If you had faith the size of a mustard seed, you could say to this mulberry tree, 'Be uprooted and planted in the sea,' and it would obey you."

**Readings: Habakkuk 1:2-3, 2:2-4; 2 Timothy 1:6-8, 13-14; Luke 17:5-9**

Dear friends,

The first session of the National Plenary Council in Adelaide is just 12 months away. A Plenary Council is a formal meeting of the bishops and other representatives of all the dioceses and eparchies of the Catholic Church in Australia. Its purpose is to discern what God is asking of us in Australia at this present time. While the church should be asking that question continually, a Plenary Council is a particularly graced instrument for seeking the Holy Spirit's guidance. And it has the authority to make church laws on the results of its discernment. Although in the end it will be the bishops who will vote on any future directions for the church in Australia, they will be making those decisions in the light of a long listening to the Holy Spirit speaking through the voices of any of the faithful who wish to speak around Australia. This makes the Plenary Council 2020 different from the last one in 1937. Everyone has a chance to participate and to express whatever the Spirit is saying to them in their heart. With the release of the six National Plenary Themes for Discernment (*Missionary and evangelising;*

*Inclusive, participatory and synodal; Prayerful and Eucharistic; Humble, healing and merciful; A joyful, hope-filled and servant community; Open to conversion, renewal and reform*) and the commencement of the Listening and Discernment phase of the Plenary journey, the Archdiocese of Brisbane held a Brisbane Assembly these past few days at the Edmund Rice Performing Arts Centre at St Laurence's College in South Brisbane. The Brisbane Assembly provided participants with a deeper understanding of the themes for national discernment, the latest developments and vision casting from the Plenary Council national facilitation team, and most importantly an opportunity to take part in a process of communal discernment led by experienced facilitators. Participants heard from an array of quality presenters on 'Discernment' and 'Effective Communication' to assist with the Listening and Discernment phase. The hope of this assembly is that it will aid to empower participants to engage their own communities with the second phase of the Plenary journey in the lead up to the Council in 2020.

COMMUNION MOTET, 12pm Mass

*Pope John XXII, 14c.*

Anima Christi, sanctifica me. Corpus Christi, salva me.  
Sanguis Christi, inebria me. Aqua lateris Christi, lava me.  
Passio Christi, conforta me. O bone Jesu, exaudi me.  
Intra tua vulnera absconde me.  
Ne permittas me separari a te.  
Ab hoste maligno defende me.  
In hora mortis meae voca me.  
Et iube me venire ad te,  
Ut cum Sanctis tuis laudem te,

Soul of Christ, sanctify me. Body of Christ, save me.  
Blood of Christ, inebriate me. Water from the side of Christ,  
wash me. Passion of Christ, strengthen me  
O good Jesus, hear me. Within Thy wounds hide me  
Suffer me not to be separated from Thee  
From the malignant enemy defend me  
In the hour of my death call me  
And bid me come unto Thee  
That with thy Saints I may praise Thee Forever and ever. An

Stephen Moreno OSB (1889–1953)

### TRIAL OF ELECTRONIC COLLECTION PLATES – CATHEDRAL OF ST STEPHEN

We live in an increasingly cashless society. With this in mind, **at the Cathedral only**, we have begun a trial use of “tap and go” on our collection plates at Mass. You can either place cash in the plate, or “tap” your credit card on the built-in card reader. Each “tap” of your card will be a donation of \$10 (you may of course, tap more than once with several seconds between each tap, to give in multiples of \$10). We will trial the new technology for the next couple of months and then assess how the new system is working. Thank you for your generosity.
